

ASPRAY GROUP

WELCOME TO ASPRAY.

THROUGH OUR ESTABLISHED UK NATIONAL NETWORK TOGETHER WITH OUR LOGISTICS AND INTERNATIONAL DIVISIONS WE DELIVER IN THE UK AND ACROSS THE WORLD.

We are Aspray, the UK and international delivery and logistics people.

Aspray is an independent and established business with a strong UK distribution network and a global partnership network. We understand the importance of providing a local service at a national level and pride ourselves in delivering to your customers.

There are three core elements to our business:

- 1 Delivery
- 2 Logistics
- 3 International

Aspray is unique because we offer the ability to deliver anything from a jiffy bag to a full load and anything in between.

Understanding the market of our customers and the demands placed on your business has allowed us to tailor our service.

Your business is our business; Aspray always deliver your promise.

Throughout the complete supply chain; from source of manufacture to storage, warehousing, order picking, stock rotation and national delivery, our three divisions; Aspray24, Aspray Logistics and Aspray International offer a wide set of services suited to every requirement.

We provide a technical network which provides flexibility to our customers business. Our ambition is to lead the industry in its thinking and innovation. We deliver this knowledge and experience to provide exceptional service and solutions throughout our business.

We offer a fully managed import & export service-worldwide.

A brand is a promise delivered. Aspray deliver your promise.

ASPRAY LOGISTICS

ASPRAY LOGISTICS OFFERS A COMPREHENSIVE RANGE OF VALUE ADDED SERVICES; CO-PACKING, RE-WORKING, LABELLING AND CONFIGURATION.

WE RECOGNISE THAT EACH TASK IS UNIQUE AND ALWAYS WORK IN PARTNERSHIP WITH OUR CUSTOMERS TO ENSURE THAT WE DELIVER THE EXACT SERVICE THEY REQUIRE.

Offering both racked and bulk storage we can take any kind of goods or products, ranging from electrical items, food, drink, manufactured products and component parts.

Working with you to understand your business and your unique requirements we design solutions that deliver to your business as well as your customers.

With direct injection into the UK distribution network and access to our global partners we offer an integrated approach to your logistics.

Our team considers everything on your behalf; from stuffing and de-stuffing, to order processing, storage, stock rotation, packaging and of course delivery.

Our reporting programmes mean that you always have the latest information available. What orders have we received, have they been picked, where are your goods, when are they going out, where are they going to.

POD's and the highest level of customer service are all delivered through the Aspray network.

We understand that as a Logistics specialist we represent your business. We will help you manage your business and present you to your customers in a way that delivers your promise.

We are able to deliver this through our purpose built warehouse and approach to continuous improvement.

ASPRAY 24 THE DELIVERY PEOPLE

NEXT DAY DELIVERY IS AT THE VERY CORE OF OUR UK BUSINESS. WE OPERATE 24 HOURS A DAY AND DELIVER WITHIN 24 HOURS.

EACH OF OUR CUSTOMERS ARE DIFFERENT. YOU HAVE DIFFERENT NEEDS, DIFFERENT EXPECTATIONS AND INDIVIDUAL REQUIREMENTS THAT MAKE YOUR BUSINESS UNIQUE.

We see Aspray24 as an extension of your business. We spend time with your customers, we represent your business and we always deliver 'your promise'.

Our business is unique because we recognise the personal nature of what we do. We will talk to you, understand what you need and whilst we have systems and processes in place, we also have the flexibility to deliver the ingredients that will make a difference to how you conduct your business.

We make sure that we are flexible in our approach, we listen and we respond. Our customer services team pride themselves on delivering a wide variety of performance targets.

Our business is centrally located at our West Midlands hub with a number of additional locations that create our national network. We have a fleet in excess of 400 vehicles that deliver everything from a jiffy bag to a full load throughout the UK.

Through our business divisions we can deliver a seamless experience whether you are looking for UK distribution or international supply chain services.
