APRIL 11-12, 2018

YOU'RE INVITED TO ATTEND THE INAUGURAL FASTENER FAIR USA... IN THE HEART OF THE MIDWEST'S MANUFACTURING REGION!

No matter what your role is in the fastener supply chain, you'll find the latest technology and education to keep your business growing at Fastener Fair USA. Meet with over 200 leading exhibitors from around the world, learn key insights from experts, and connect with fellow manufacturers, distributors, and end-users.

WHO SHOULD ATTEND?

The show is for anyone involved in the industrial fastener industry. Distributors, mechanical and design engineers, purchasers, specifiers, wholesalers, fastener OEMs and more from a variety of industries, including:

- Automotive
- Aerospace
- Construction
- Power transmission
- Defense industry
- Agriculture and construction equipment OEMs
- Home appliances/white goods
- Consumer electronics
- Oil and gas/power generation

Don't miss this one-of-a-kind event

EDUCATION

No matter where you fit in the fastener supply chain or what your experience level is, you will find information to take back and implement immediately in your workplace. Our sessions are led by industry experts from a variety of backgrounds and will cover topics on maintenance and repair, growing your distribution business, managing data, fastener basics for newcomers to the industry, and much more.

We continue to add speakers and content to the education schedule, so please check www.fastenerfair.com/usa for the most up-to-date information.

WELCOME RECEPTION AT THE ROCK AND ROLL HALL OF FAME

Connecting and collaborating with other professionals in your industry will be one of the best parts of Fastener Fair USA. The welcome reception on April 11th will take place at the iconic Rock and Roll Hall of Fame. This networking party promises to be a fantastic way for all exhibitors and attendees to connect at one of Cleveland's most popular attractions on the shore of Lake Erie. Your purchased ticket to the event includes the entrance fee, two drinks and appetizers.
